

Yunshu Dai

Curriculum Vitae

Academy of Mathematics and Systems Science, Chinese Academy of Sciences
Beijing, China · daiyunshu25@mails.ucas.ac.cn

RESEARCH INTERESTS

Diophantine geometry, Diophantine approximation, arithmetic geometry and analytic number theory, especially rational point counting and approximation on algebraic varieties.

EDUCATION

2025–present	M.Sc. in Mathematics (in progress) Academy of Mathematics and Systems Science, Chinese Academy of Sciences, Beijing, China Supervisor: Zhizhong Huang
2021–2025	B.Sc. in Mathematics and Applied Mathematics Tongji University, Shanghai, China

PREPRINTS

Local distribution on $X_0^3 = X_1X_2X_3$
Yunshu Dai, with Zhizhong Huang, Zhixuan Li and Haojia Shi.
Preprint; arXiv and journal links forthcoming.

SEMINARS

2025–2026	Tropical Geometry Seminar Online. Seminar webpage. Finished.
2024–2025	Algebraic Number Theory Seminar Tongji University. Finished.
2023–2024	Algebraic and Number Theory Seminar Tongji University. Finished.
